Topic	Project Selection
Present	Rohit, Brian, John, Antriksh, Alwyn
Apologies	-
Absent	-

Meeting opened 10:00 AM

1 Project Selection

Discussed preferences for projects, decided on the following list

1. Genetic Engine (Mr Peter Thnell)
2. iDNAtity: A cutting-edge fusion of art and science - generating music as unique as your own DNA
3. M2: A browser based multiple-bid multi-unit auction platform
4. Adding iDome Support to the VMD Software
5. Mother and Baby Unit Clinical/Research Database
6. Automatic management of journal article PDFs
7. 360 Degree Cylindrical Video
8. Intelligent Chatting Toy Module

2 Meeting Times

- Presented times available for meetings
- Resolved to use the UCC's timetable script instead
